## Vegane Crêperie , Burger & Bar

Dear guests!

To reduce waste (and to keep our food looking it`s best) we do not offer our dishes for take away. However, we do make exceptions for cake and coffee!

Because each and every dish is prepared fresh to order, there will occasionally be a longer wait than usual, especially if the restaurant is full. Thank you in advance for understanding!

**Our crêpes are made from wheat and whole grain flour, mineral water, soy milk, rapeseed oil, salt and a bit of soy flour.**

**Our delicious galettes are made from buckwheat flour, mineral water, soy milk, salt and a touch of rapeseed oil. They are also gluten free. Add €1**

*Please specify crêpes or galettes when you order!*
